Re: Basket composition on December 31, 2024 associated with certain SPDR® ETFs' benchmark index rebalances

Date: December 27, 2024

Effective before the opening of business on Thursday, January 2, 2025, the benchmark index for each Fund set forth below will be rebalanced. In order to, among other matters, effectuate an orderly rebalancing of portfolio securities held by such Funds, the list of securities applicable to all purchase and redemption orders for trade date Tuesday, December 31, 2024, are based on *post-rebalance index holdings* instead of index holdings as of the close of business on Monday, December 30, 2024.

For any funds below that settle creation/redemption activity inside CNS, T+0 creation orders will not be available for trade date December 31, 2024.

SPDR ETFs that settle creation/redemption activity inside CNS will not accept T+0 creation orders on the fund's ex-dividend date.
