Re: Basket composition on July 19, 2024 associated with certain SPDR® ETFs' benchmark index rebalances

Date: July 17, 2024

Effective before the opening of business on Monday, July 22, 2024, the benchmark index for each Fund set forth below will be rebalanced. In order to, among other matters, effectuate an orderly rebalancing of portfolio securities held by such Funds, the list of securities applicable to all purchase and redemption orders for trade date Friday, July 19, 2024, are based on *post-rebalance index holdings* instead of index holdings as of the close of business on Thursday, July 18, 2024.

For any funds below that settle creation/redemption activity inside CNS, T+0 creation orders will not be available for trade date July 19, 2024.
